BAND WILL HAVE SOMETHING TO EAT ON THEIR BIG TRIP

President of John Hoffmann's Sons Co., Large Meat Packers, Donated Meat a Big Ham.

Colonel J. Barbour Russell of the Boys' Band has just received this letter from J. A. Wiedersheim, president of the John Hoffmann's Sons Co., of Cincinnati:

Cincinnati, O., U. S. A. Dec. 2, 1919.

Mr. C. Russell & Co.,
Maysville, Ky.
Attention Mr. Barbour Russell.

Friend Barbour:
We are always on hand when doing a good deed.

There is no better time to help, as when a young fellow is encouraged, and feels that he is trying to make a record in the world, (with the assistance of a man like yourself), there is nothing in the way but success, and these boys will positively succeed, and whenever we can get a chance to hear these boys play, we will certainly do so.

I see that you are going to take the Band to Frankfort, Ky., on December 9, and when you come back from the trip we want the KIDDIES to feel happy, and so we are sending you by Parcel Post one S. C. "DAISY" Ham. You can have it cooked, and have the sandwiches ready to give them on their way home. If they are drowsy and sleepy after a Big Days Work, this will cheer them up, and make them think that you are looking after their interests. Always treat them nicely, and take care of them, because some day we will want them to come to Cincinnati with all the "PEP" that a Brass Band can deliver.

Keep up your good work, and help a good cause along, and if they continue to progress as they have in the past, there will be no trouble in securing jobs anywhere in the world. "DAISY" Brand Special Hams arrived, so let them all eat. With best regards, and success to you.

Your friend,
J. A. WIEDERSHEIM.

CONSIDERABLE COAL IN LOCAL YARDS

Local coal merchants report that they have considerable coal now in the yard but there is none coming in by rail at present and it appears that the supply will soon be exhausted. County dealers have a very small supply of fuel on hand. Those who laid in their coal early in the season are to be congratulated.

GEORGE KIRK TO REMAIN IN ACTIVE CHARGE OF C. OF C.

Directors Select Mr. George Kirk as Acting Secretary of the Maysville Chamber of Commerce—Officers to Be Named.

At the meeting of the Directors of the Chamber of Commerce held at the residence of Mr. E. T. Kirk on Wednesday evening, Mr. George Kirk, who for the past several months has been Acting Secretary of the Maysville Chamber of Commerce, was chosen to remain in charge of the affairs of the Chamber until such a time as the Directors elect an active Secretary.

The directors also empowered Mr. Kirk to enter into a lease with the Maysville County Farm Bureau for a part of the building they recently leased from the Dodson estate in East Second street. The Chamber of Commerce will move to the new quarters with the Farm Bureau which will be in the very near future.

The building in West Second street, now occupied by the Chamber of Commerce and the Farm Bureau will be occupied by Mr. C. Calvert Early as an insurance office just as soon as these two organizations vacate the building.

IMPROVEMENTS PROGRESSING

The improvements in the Christian church are progressing nicely. The hardwood floor is now being laid in the church room and the special cement floor is being put down in the vestibule. All during this past week, Mr. Colburn of Louisville, Ky., has been cleaning and tuning the pipe organ. The officers of the church hope to have the first service in the church auditorium on December 21, although considerable work remains to be done.

PREACHER IS HELD IN CONNECTION WITH MAN BEING MISSED

Bracken County Man Arrested on Murder Charge When Friend Mysteriously Disappears Is Brought Here For Safe Keeping—Examination Friday.

Deputy Sheriff Thompson, of Bracken county, arrived here Wednesday night about nine o'clock having in charge Thomas Marksberry, of that county, who he placed in the Maysville county jail on orders of the County Judge of Bracken county to await an examining trial on a charge of murder to be given on Friday at Brooksville. Marksberry, who is a Baptist preacher and a tenant farmer, was arrested at his home two and a half miles West of Augusta late Wednesday on a warrant issued at the request of relatives of Jesse Glenn, of the Berlin neighborhood in Bracken county, who has been mysteriously missing from his home since Election Day.

It is said that Marksberry seems to be the only person in Bracken county who knows anything about Glenn since the first Tuesday in November and Marksberry now has Glenn's automobile. These seem to be the only grounds for the arrest.

In an interview at the local jail Wednesday night Marksberry told a Ledger reporter that Glenn, who was a childhood friend of his, called at his home Election day and spent the day and night. He says Glenn introduced to him a stranger by the name of Shaffer who had a Buick automobile to sell. A three handed trade took place in which Marksberry purchased the Buick from Shaffer and then traded it to Glenn for his Ford car. He says Glenn and Shaffer got into the Buick car and drove away and that he has not seen him since that time. He claims however to have received a post card from Glenn mailed at Rushville, Ind., on which Glenn said he would be back about Christmas and pay him \$20 in money which he owes him.

Marksberry protests his innocence of any murder of Glenn and contends that he is not murdered but in Indiana some place and will turn up presently. He seems very confident that he will be cleared at his examining trial at Brooksville on Friday.

The indictments returned this afternoon and the bill fixed by Judge Newell follow:

Fred Payne—Shooting and wounding with intent to kill. No bill.

TWO COACHES PRO- CURED FOR MASON FOR INAUGURATION

Arrangements Finally Made For Means of Conveyance of Good Sized Delegation to Inauguration of Governor Morrow Next Tuesday.

Maysville and Mason County Republicans who desire to attend the inauguration of Governor Edwin P. Morrow at Frankfort on next Tuesday have been finally provided a means of making the trip. Col. J. Barbour Russell was in Cincinnati Wednesday and in consultation with General Passenger Agent Bush, of the L. & N. got his orders for two extra coaches to be added to the regular morning train on next Tuesday.

Under the present arrangements this train carrying the Boys' Band and as many others as desire to make the trip, will leave Maysville at 5:30 a. m. and Mr. Bush has issued orders that this train be not delayed at Paris or Lexington so that it will arrive in Frankfort promptly at 10 o'clock. The train will also be held so that it will not leave Frankfort until 5 o'clock in the evening returning, giving all plenty of time to take in the inaugural celebrations.

Colonel Russell also today received a letter from the Frankfort Christian church whose ladies will feed the band at dinner and supper in the Community Building which joins the Elks building where the band will have its headquarters.

Arrangements are made for the Federal Bakery to bake the buns for the sandwiches on the morning of leaving and Mr. Frank Hendrickson of the Mint Cola Bottling Co., has donated 50 bottles of Mint Cola for the boys to drink with their ham.

PLAN CHRISTMAS TREE

On Wednesday afternoon at the ideal home of Mr. and Mrs. N. S. Calhoun in Edgemont the ladies of the Church of the Nativity discussed over the "tea cups" Christmas and its pleasures for old and young and decided upon a tree and that carols be sung, especially the serenading of the "shut ins" on Christmas eve. The next over the tea cups will be with Mrs. George T. Hunter on December 17th.

Mrs. A. G. Crutcher, who has been visiting her mother, Mrs. John Watson left for her home in Frankfort this afternoon, accompanied by Mrs. Clarence Mathews, who will be her guest for several days.

DRIVE FOR COMMUNITY HOUSE TO BE PUT UNDER WAY SOON

Meeting of American Legion Committee to Be Held This Week to Lay Plans For Big Two Weeks Drive to Purchase Community Building.

Mr. C. Calvert Early, chairman of the special canvassing committee of the American Legion, local post, for the procuring of funds for the purchase of the Central Presbyterian church building, announced this morning that he would call a meeting of his committee sometime before the close of the present week to lay plans for the county-wide canvass.

At present it is the purpose of the committee to put on a campaign of at least two weeks when every citizen in Mason county will be given an opportunity to contribute to this most worthy cause.

It is the purpose of the Legion to purchase the building and equip it with the fund contributed by the citizens and then to charge a nominal fee for membership in the club. This membership fee will be used for the maintenance of the club and the payment of the salary of a Secretary who will be in charge of the building at all times.

While the building will be a memorial to the soldiers of the World War, the membership in the club will not be restricted to war veterans, it is understood and the building will be in every sense of the word a Community House for the general use of the entire community.

"WOMAN, THE FUTURE CITIZEN"

With the responsibility of the ballot comes the duty of preparing to use it intelligently.

Maysville and Mason county women will have the opportunity of hearing this important subject discussed by Mrs. Desha Breckinridge, President of the Kentucky Equal Rights Association, and Miss Annette Beveridge, representing the National American Woman Suffrage Association, at the Court House, Friday afternoon, December 5 at 2:30 o'clock. All women invited.

IMPORTANT CHURCH MEETING TONIGHT

Following the regular weekly prayer meeting at the First Baptist Church this evening the regular monthly business meeting will be held. This is also the annual business meeting and deacons and officers of the church will be elected as well as officers and teachers of the Sunday School. A full attendance of the membership is desired.

\$100,000 CAPITAL IS DECIDED UPON FOR DEVELOPMENT CO.

The Maysville Development Company Will Be the Name of New Corporation Which Will Build Houses in the City—Directors Hold Meet.

A very enthusiastic meeting of the Directors of the Maysville Chamber of Commerce was held at the home of Mr. E. T. Kirk on Wednesday night when the organization of the proposed company to erect at least 100 new houses in Maysville was taken up.

It was finally decided that the suggestion of Mr. Holton Key that the company be known as the Maysville Development Company, be adopted and that the company be a corporation under the laws of the state of Kentucky with powers to buy, sell and rent property and to improve the same. Messrs. W. W. Ball, Jr., J. Foster Barbour and John M. Hunt were named a committee to draft a charter for the company to be presented to a general stockholders meeting to be held as soon as the company's capital of \$100,000 had been subscribed.

On Friday of this week all persons interested will make a general canvass of the city by wards asking the people of Maysville to invest their money in the proposition.

The slogan of the company as suggested by Mr. E. T. Kirk is "Own Your Own Home." The company will endeavor to have persons purchase their new homes from them on the easy payment plan but they will also rent and lease these new buildings.

COMING TO MAYSVILLE

The Ripley Bee says: Mr. H. P. Drake has taken a new position with the R. J. Reynolds Tobacco Company. He is now assistant to Mr. Lige Kirk of Maysville, and his business will be to visit the different markets, and look after the interests of the Reynolds Company, and give instructions to buyers. His headquarters will be at Maysville, Ky. Mr. Drake is an expert tobacco man, reliable in every way and his host of friends are glad to know of his promotion.

Relieves After Effects of Breaks and Sprains

Recovery from fractures and sprains is slow enough at best, but there is no use to be laid up any longer than absolutely necessary. Massage the injured part gently with Houstonia daily. Aching and soreness will quickly go.

The case of E. E. Downing, who lives on Walnut St., in Waverly, O., is one of the many proofs of what Houstonia will do. Says Mr. Downing: "Some time ago, I had the misfortune to break my leg. I tried several remedies without results, until I began using Houstonia Liniment, and am glad to testify that the results were beyond my expectations."

On rheumatic joints and swellings too, Houstonia has an almost magical effect. Better get a bottle from your druggist and keep it handy. \$1.00—half size 50c, trial size, 25c. A Good Rain Coat

IS HARD TO GET

But we make it our business to get good ones. For its our bread and meat. Sell any man a good article, brings him back again. We try to do this in everything we sell, but especially raincoats.

\$7.50 buys a fair Raincoat.
\$10.00 buys a good one.
\$12.50 buys one guaranteed to be absolute water proof. Then they run up to as high as \$40 to the imported gaberdines.

MAYSVILLE SECOND MARKET AS TO MONEY RECEIVED

Although Louisville Sells More Pounds Than Maysville Our Tobacco Brought More Money—Lexington Is First Market.

Frankfort, Ky., December 3.—Reports from counties showing the number of pounds of tobacco of the 1918 crop sold in warehouses during the present year and the price obtained for same are being filed with Commissioner of Agriculture Cohen.

Fayette county heads the list with 56,579,290 pounds which sold for \$21,763,000. In Jefferson county 35,071,559 pounds were sold on warehouse floors for \$8,716,408.46. Mason county comes next, 29,847,245 pounds having been sold for \$9,699,263.58.

It will be seen from this report that in the number of pounds sold Maysville in 1918-19 season was the third market in the state of Kentucky but it should be noticed that while Jefferson county sold more tobacco than Mason during last season, the tobacco sold higher on the Maysville market and the amount of money the tobacco brought makes Maysville the second market in the state. While Louisville sold about five million more pounds of tobacco than Maysville our tobacco brought about a million dollars more than the Louisville market.

GOOD HEALTH NECESSARY FOR SUCCESS

Conspicuous Success Requires Tireless Energy, "Hulldog" Tenacity, Vigorousness—Red-blooded Men in Demand—Each Year Pepto-Mangan Restores Thousands to the Red-blooded Class.

Modern business can't wait for the easily-exhausted, nervous, weak-bodied man or woman. Every executive is on the constant lookout for enthusiastic, vigorous, red-blooded individuals, for he knows that with a strong body and a keen mind, such employees can easily stand the strain of heavy responsibilities, quickly master their work and develop into important positions.

After all, being "live," energetic, and full-blooded is just a matter of whether or not a man or woman believes a healthy physical condition worth while for unless you are afflicted with some deep-seated ailment, the intelligent use of Gude's Pepto-Mangan is all that is usually necessary.

Gude's Pepto-Mangan soon produces marked beneficial results. The tired, worn-out, run-down feeling disappears. And in its stead a vigorous wholesomeness and happiness proves that the blood has been supplied with the sorely needed richness to supply the entire system with renewed strength.

When you buy Pepto-Mangan at your druggist's, be sure the name "Gude's" is on the package. You can get it in either liquid or tablet form. If the name "Gude's" is not on the package it is not Pepto-Mangan.

HIGH PRICES MAINTAINED ON LEXINGTON MARKET

High prices again marked the Lexington loose leaf tobacco market Wednesday prices ranging up to 99 cents many crops averaging above 60 and 70 cents a pound and some even higher.

Sales were held at the Growers' New Headley No. 1, Planters' and Shelburne No. 2, the latter sale consisting of small lots. At the Growers' the sale went into the afternoon. The New Headley sale totaled 175,345 pounds, for which the growers were paid \$102,704.83, an average of \$58.57.

In the late sales at the Shelburne No. 1 Tuesday, Grover & Duncan, of Scott county, sold a basket of 250 pounds at \$1.10 a pound and a basket of 235 pounds at \$1.00 a pound.

Growers generally are pleased with prices and the way the market is starting out.

GAS-ELECTRIC CAR FOR FLEMING RAILROAD

The Fleming Gazette says: While at Richmond, Va., the other day R. L. Dudley bought for the C. F. & S. Railroad a gasoline-electric car for use in handling the passenger, express and mail business on the road between here and Johnson. The car arrived here Thursday and was put in the shop where Mechanic John Mills will work on it this winter so as to have it ready for service next spring. The car holds about 22 passengers and will be used to cut down expenses in handling the passenger traffic. The old locomotive will be retained for freight business and will likely make but one regular trip a day, and oftened whenever business calls for it. The new car is propelled by electric power which is developed through use of a gasoline engine.

There will be a Masquerade Box Supper at the Hilldale School on Friday evening. Everyone invited. 2-3t

HEED THE WARNING

Many Maysville People Have Done So.

When the kidneys are weak they give unmistakable warnings that should not be ignored. By examining the urine and treating the kidneys upon the first sign of disorder, many days of suffering may be saved. Weak kidneys usually expel a dark, ill-smelling urine, full of "brickdust" sediment and painful in passage. Sluggish kidneys often cause a dull pain in the small of the back, headaches, dizzy spells, tired, languid feelings and frequent rheumatic twinges. Doan's Kidney Pills are for the kidneys only. There is no better recommended remedy.

Maysville people endorse Doan's Kidney Pills. Fred Dressel, tailor and justice of the peace, 1238 East Second Street, says: "I was troubled by inflammation of the bladder and annoyance from my kidneys. The kidney secretions burned in passage and often were retarded. I had severe pains across the small of my back which greatly interfered with my work. Doan's Kidney Pills, which I got at Wood & Son's Drug Store, gave me prompt relief."

Mr. Dressel gave the above statement on February 8, 1904, and on November 14, 1916, he added: "I have had the same faith in Doan's Kidney Pills today as ever, for I haven't had any trouble with my kidneys since I last recommended them."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Dressel had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

MAYSVILLE OBSERVES FUEL RESTRICTIONS AND CLOSES SHOP

Strict Enforcement of the Federal Fuel Restrictions Begins This Evening—All Not Exempted Show Desire to Obey Orders.

Mayer Russell and Chief of Police Ort in whose hands the enforcement of the Federal Fuel restrictions has been placed, stated today that they did not expect any trouble in the local enforcement of the orders of the Fuel Committee as Maysvillians were always the most patriotic and Maysville merchants and manufacturers would observe this request of the government in the present serious condition. Beginning this evening, however, the city officials will see that the order is strictly observed by all who are not exempted. All stores will be expected to close promptly at 4 o'clock while barber shops will close promptly at 6 o'clock and places of amusement at 10:30, the latter not opening until 1 o'clock in the afternoon.

Persons who are in doubt about the application of the order to their specific business should get in touch with Mayor Russell or Chief Ort at once and consult the original order as issued from Atlanta headquarters.

Places of business will not open until 9 o'clock tomorrow morning and the most of the local stores and shops did not open until 9 o'clock this morning.
